WINE & DINE - FRANSCHHOEK

# Winemaker for a day<sup>®</sup>

Join our Winemaker for a day<sup>®</sup> workshop and learn the Noble art of Wine Blending, creating your own bottle of wine to take home or enjoy with your dinner at Café du Vin. A must-do on any Franschhoek visit.

Wine Blending, the process in which wines from different grape varieties are blended to create a wine which is better than the sum of the wines in the blend, has a long tradition. In fact, most wines on the market are blends.

In this two hour workshop you will learn how wine blending is done and you will blend your own bottle of wine. You will cork, capsule and label your bottle. The workshop is limited to eight participants. All participants must be 18 years or older.

A unique and fun workshop for everyone with an interest in wine!
